

I understand that I have a right to comprehensive pain management. I wish to enter a treatment agreement to prevent possible chemical dependency. I understand that failure to follow any of these agreed statements might result in Dr. Hild not providing ongoing care for me.

I, \_\_\_\_\_, agree to undergo pain management by Providers at CFM. My diagnosis is \_\_\_\_\_ . I agree to the following statements:

I will not accept any narcotic prescriptions from another doctor.

I will be responsible for making sure that I do not run out of my medications on weekends and holidays because abrupt discontinuation of these medication will cause severe withdrawal syndrome.

I understand that Dr. Hild will not supply additional refills for the prescriptions of medications that I may lose.

If my medications are stolen, Dr. Hild will refill the prescription one time only if a copy of the police report of the theft is submitted to the physician's office.

I will not give my prescriptions to anyone else.

I will only use one pharmacy \_\_\_\_\_

I will keep my scheduled appointments with Dr. Hild unless I give notice of cancellation 24 hours in advance.

I agree to refrain from all mind/mood altering/illicit/addicting drugs including alcohol unless authorized by Dr. Hild.

I agree to random drug testing and any associated costs.

My treatments plan my change based on outcome of therapy, especially if pain medications are ineffective.

Such medications will be discontinued.

My treatment plan includes:

Medications \_\_\_\_\_

\_\_\_\_\_

Physical therapy/exercise \_\_\_\_\_

Relaxation techniques \_\_\_\_\_

Psychological counseling \_\_\_\_\_

I understand Dr. Hild believes in the following:

Signed: \_\_\_\_\_

Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

#### "Pain Patient Bill of Rights"

You have the right to:

- Have your pain prevented or controlled adequately.
- Have your pain and medication history taken.
- Have your pain questions answered.
- Know what medication, treatment, or anesthesia will be given.
- Know the risks, benefits, and side effects of treatment.
- Know what alternative pain treatments may be available.
- Ask for changes in treatment if your pain is not controlled.
